To: Concrete Polishing and Sealing Ltd.

Youri,

I would like to thank you and your team for the excellent work you did on our project. Everyone was very impressed with the quality of the workmanship and the end product as a whole.

What also impressed us was the professional manner that your team conducted the work. It was a pleasure dealing with them. They are a hard working and efficient group of guys. It was also very refreshing to see how clean and tidy they were able to maintain the work place, especially given the nature of the work.

I look forward to the opportunity to work with Concrete Shine on future projects.

Sincerely,

Ted Aiton
